The Texas Association of Counties Health and Employee Benefits Pool is pleased to announce an exciting change in your pharmacy benefit program. **As of October 1, 2018, Navitus Health Solutions will provide your pharmacy benefits.** Navitus provides a high level of service with the tools to assist you in lowering drug costs and improving your health.

You will soon receive a member booklet and in September, a new ID card. Your member booklet will explain the new pharmacy benefit. You may also receive information in the mail directly from Navitus regarding medications you have been taking. Please be sure that your payroll department has your current mailing address.

Beginning on September 5, you may call Navitus Customer Care at 866-333-2757 if you have questions about your pharmacy benefits. Customer Care is available 24 hours a day, 7 days a week.
