GOLIAD COUNTY**

REQUIREMENTS FOR TRAILER TITLE AND REGISTRATION

Effective September 1, 2011, as required by Texas Department of Motor Vehicles, all non-titled trailers being registered as homemade or shop made will require an assigned serial number. Titled trailers without a visible or legible Manufacturers' VIN number will require a re-assigned serial number. Identifying serial numbers will aid in the recovery of property in the event that it is stolen and will prevent confiscation by law enforcement.
