

Dear County Employee:

You are one of the team of employees who strive to serve the citizens of Goliad County in a fair, efficient, and courteous manner. This manual and the personnel policies contained within are guidelines on how we work as a team to provide the best service possible to our county citizens.

As a county employee you have a responsibility for the citizens of Goliad County. How well you do your job and how you conduct yourself on the job are subject to public approval. Many times, your contact with the citizens will be the only basis on which the county government is judged.

Please read this manual carefully and make it readily available for future reference.

Sincerely,
