

Dear County Employee:

You are one of the team of employees who strives to serve the citizens of Goliad County in a fair, efficient, and courteous manner. This manual and the personnel policies contained within are guidelines on how we work as a team to provide the best service possible to our county citizens.

As a county employee you have a responsibility to the citizens of Goliad County. How well you do your job and how you conduct yourself on the job are both subject to public approval. Many times your contact with the citizens will be the only basis on which the county government is judged.
